ARCHITECTURAL MODEL MAKER & 3D ANIMATION STUDIO

COMPANY PROFILE

22+ YEARS OF EXCELLENCE

COMPANY OVERVIEW

ABOUT US

BID LLC is a dedicated & creative 3D-production house, that reflects a combination of genuine artistry & global culture. With over 22 years' of expertise, it has emerged as a trendsetter with astounding attention to details in the world of 3D.

Leading the journey to create customized 3D products with latest turnkey technology solutions and unique artistic aura. BID LLC's creativity flows with its clients' strategic goals on board, while its goal is to tell their story in a powerfully & compelling fashion.

MEET OUR TEAM

01. ARCHITECTURAL SCALE MODEL

— **700+** Completed
Projects

As a leading architectural scale model and 3D visualization company, we specialize in crafting precision models that bring design concepts to life. Our expertise encompasses a diverse range, including masterplan models, Highrise/Towers models, villas/resorts models, interior floor plan models, shopping mall models, and industrial/engineering models.

With meticulous attention to detail, we transform architectural visions into tangible, visually striking representations. Whether it's capturing the grandeur of highrises or the intricacies of interior spaces, our models serve as invaluable tools for communication and decision-making.

02. 3D VISUALIZATION

600+ Completed Projects

As a premier architectural scale model and 3D visualization company, we excel in delivering cutting-edge services, including immersive 3D animation and stunning CGI renders. Our expertise transforms architectural concepts into dynamic visual narratives through compelling animations that bring designs to life.

With CGI renders, we meticulously craft photorealistic representations, providing clients with a vivid preview of their projects. Whether it's showcasing the fluidity of architectural animations or the realism of CGI renders, our commitment to excellence ensures that every visual element aligns seamlessly with the envisioned design.

03. INTERACTIVE SALES SOLUTION

— **400+** Completed Projects

As pioneers in Interactive Sales Solutions, our focus centers on revolutionizing the marketing landscape for architectural projects. Specializing in immersive 360 Virtual Reality experiences, Augmented Reality applications, and a robust Sales & Leasing App, we redefine how clients engage with and showcase their properties.

With 360 VR, potential buyers navigate properties with unprecedented detail, offering a realistic and captivating preview. Augmented Reality seamlessly blends virtual elements into the real world, providing a dynamic and interactive experience. The Sales & Leasing App elevates presentations, enabling real-time customization and interactive engagement.
