Multimedia Services

We provide end-to-end architectural presentation solutions, including Physical 3D Models, 3D Visualization and Multimedia Services. Our services are designed to enhance project communication, accelerate decision-making, and support real estate marketing and sales.

A Story Of Growth

We are proud to be the official model maker for the National Housing Company (NHC), contributing to their landmark achievement at Cityscape Global 2025. Our high-precision architectural models supported the presentation of the projects showcased during the launch event that led to a Guinness World Record for the highest number of residential units sold within 24 hours, reinforcing NHC's position as a market leader in the regional real estate sector.

KHUZAM - RIYADH

Dimension: 20M * 12M

Scale: 1:500

Location: KSA

Production Time: 11 Weeks

How We Helped: Our Model Highlighted NHC's Vision Of Redefining Suburbs Through Smart, Integrated Modern Living.

ALFURSAN - RIYADH

Dimension: 1M * 2M

Scale: 1:100

Location: KSA

Production Time: 11 Weeks

How We Helped: The Forsan Suburb Model We Delivered Supported Sales By Providing A Clear Visualization That Helps Clients Make Purchasing Decisions.

MAKKAH GATE - MAKKAH

Dimension: 11M * 3M

Scale: 1:500

Location: KSA

Production Time: 7 Weeks

How We Helped: Delivered The Makkah Gate Model To The National Housing Company, Strengthening Our Portfolio Across Their Developments In The Kingdom.

A Story Of Growth

We have partnered with ROSHN since its early developments, starting with Sedra and continuing through Al Dana, Al Manar, and Al Arous. Throughout this journey, we have delivered high-quality architectural models that bring each project's vision to life.

Over time, our role has expanded beyond model-making to include CRM integration and interactive display solutions with animated project presentations. Today, we combine craftsmanship with digital innovation, supporting ROSHN's growth across Saudi Arabia.

SEDRA - RIYADH

Dimension: 12M * 5M

Scale: 1:300

Location: KSA

Production Time: 10 Weeks

How We Helped: In Alignment With Saudi Vision 2030, Our Model Highlighted North Riyadh As A Leading Residential Destination And Supported Increased Homeownership.

AL MANAR MASTERPLAN - MAKKAH

How We Helped: Our Architectural Model Highlighted How The Manar Project Sets A New Benchmark In Modern Urban Development, Particularly In Makkah, A City Of Deep Spiritual Importance In The Islamic World.

ALDANAH - DAMMAM

Dimension: 0.7M * 0.4M

Scale: 1:100

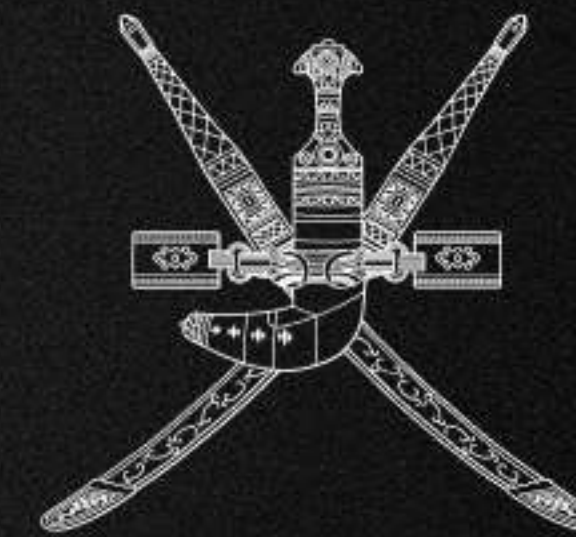

Location: KSA

Production Time: 5 Weeks

How We Helped: With The Dammam Model, We Have Now Completed The Full Representation Of Roshn's Projects Across The Kingdom, Reflecting Our Ability To Deliver A Unified And Comprehensive Vision At A National Scale.

A Story Of Growth

We partnered with the Ministry of Housing and Urban Planning of Oman (MoHUP) to deliver full masterplan 3D models for Sultan Haitham City, Downtown Muscat, and Jabal Al Akhdar three of Oman's most ambitious urban developments under Vision 2040. Our models served as powerful tools to attract developers and investors to each destination, helping MoHUP visually communicate the scale and potential of these cities. Sultan Haitham City alone represents a USD 1.7 billion investment designed to house 100,000 residents, with our model playing a key role in presenting the vision to developers and stakeholders driving the project forward.
